Our Mission & Vision

“ The company’s mission is to deliver first class civil construction services and products to all its clients at all times. A key aspect of the company’s mission, is its emphasis on quality assurance in its service delivery. To date this has set it aside from other companies with which it competes.”

M/S Sai Construction Company, is not just a transport company. We are a dedicated team striving to bring growth to our community, helping to maintain existing companies and assist our clients in making their dreams become a reality.

Our Best Services

All type Solar Foundation & Building Work

We are also providing Cabling Structure Foundation Work to our client's as per their specification & requirement. These services offered at reasonable prices.

Installation Of Solar PV Module

With a firm commitment to quality, we are offering installation and maintenance services for Solar PV Modules. We render these services as per the requirement and specifications of the customers. In addition to this, we have relevant knowledge about these solar modules and how to install these at right places so as to get proper amount of sun light. Customers can avail these services at market leading prices.

Solar Lighting Works

We are offering Solar Lighting Works to our clients. These works are accomplished by experts using best tools and components. These works are hailed for their quality and are finished in timely manner.

Solar Panels

We are an unparalleled name in offering a premium quality range of Solar Panel. Our offered solar panel is perfectly designed by consuming top grade factor inputs and latest technology in total compliance with the quality norms. We are providing this solar panel to our valuable customers with number of specifications

Our Best Services

Equipments Supply

We are offering in excellent quality range of Heavy Vehicle, JCB, Truck, Hitachi, Loading Unloading Vehicle, Tractor, Passenger Vehicle etc. on Rent basis.

These products are made at vendors end using excellent quality raw material and it find wide applications in construction and demolition purposes

We provide :

Truck, Trallor, JCB, Hitachi, Road Roller, Dumper, Higywa, Bus, D.G. Set 65 & 125 KVA, Water Tanker, Crane, Hydra, Tractor, Passenger Vehicle etc.

Oil Field Services

We provide skilled manpower and self owned equipments and fleet of mobile units for various services and satisfactory solutions to Government, Semi Government & Private Oil Field Sector clients. we are believes in team work with experts having experience in the related field of 20 years. 3 main offices, multiple regional centers and numerous on site office give D.C.C. a leading edge in Oil field services.

Our Best Services

Man Power Services

We specialize in providing fresh / trained manpower on contract as per the specific requirement of the client. We select and match employees to the job provider's work and environment. These people are taken on our payroll. We pay them regular salaries with statutory benefits and handle all the legal compliance and government regulations. The client organization just receives a single invoice every month. The contractual process is not just a one-way process; we also take the Company's employees on our rolls if any such need arises. Thus, we provide greater flexibility for the client organization. If required by the client organization, we also conduct skill enhancement programs for the recruited candidates in order to enable them to be hands on soon after being assigned work responsibility by the client organization, thus resulting in saving of valuable time for the organization.

We provide :

01	Engineers	06	Organ welder	11	Gas cutter	16	Meson	21	Driver
02	Supervisor	07	Fabricator	12	Grinder	17	Carpenter		
03	IBR welder	08	Piping Fitter	13	Rigger	18	Fabricator (insu - Sheet)		
04	6 G welder	09	Structure Fitter	14	Khallasi	19	Fitter (Insul Sheet)		
05	3 G welder	10	Electrician	15	Helper	20	Lagger		

Earth Work & Leveling

Backed by our in-depth industry expertise, we are offering all types of Earth Work services. With the support of our experts, we execute earthwork projects of any scale and complexity. We compete the particular project within a given time line.

What we do:

- Backfilling
- Water cartage
- Grading and erosion control
- Excavation in all type of strata
- Site Preparation / Land cleaning

Our Best Services

Masonry Works & Plaster

We undertake masonry works of all types such as fixing of solid/ hollow/ aerated cement concrete/ soporex/ habel blocks including brick and stone masonry besides various types of plaster including decorative type with both manual and mechanized techniques
